

Coronavirus policy for The Throne

If your holiday has to be cancelled due to UK Government travel restrictions, you will be offered the following options:

- To rebook the same date (if available) next year at no extra cost
- To transfer the booking to alternative dates
 - If these are for a more expensive period (for example, school holidays) the price will increase accordingly
 - If these are for a cheaper period and less than the amount already paid, the owner will refund the difference
- A full refund (minus a £25 handling fee).

This overrides the normal cancellation policy in the terms and conditions (which have also been updated). We hope this will give you the confidence you need to book your holiday in an uncertain environment and ensure that the lovely house and garden can be enjoyed to the full. If you have any questions please contact stay@thethroneweobley or call Anna on 07941441455.
